**ADMINISTRATIVE ORDER NO. C-2023-29-D  
(Amended to Correct Judge Howard's Assignment)**

**IN RE:**

**DUTY JUDGE ROTATION  
AND FIFTH AMENDED  
JUDICIAL ASSIGNMENTS  
FOR THE CALENDAR YEAR 2024**

---

The undersigned having considered the need for assigning the rotation of duty judges in Citrus County and the judicial assignments for the calendar year 2024, and finding that it is in the best interest of judicial efficiency that there be a judge assigned on a monthly basis to handle unusual and extraordinary requests or proceedings which require immediate action; and being otherwise advised in the premises, it is thereupon

**ORDERED AND ADJUDGED** as follows:

1. Attached hereto and incorporated herein by reference is the rotation for the Citrus County duty judge assignments for 2024. This duty shall be in addition to weekend First Appearance duties as assigned by the Chief Judge of the circuit.
2. The assigned duty judge shall be available at the courthouse daily, Monday through Friday, during normal working hours when the courthouse is open, and available by cellular phone and home phone after normal working hours to handle any matters necessary during the assigned month. *Should any judge have a scheduling conflict with their assigned monthly duty, it shall be that judge's responsibility to contact another judge in Citrus County to be available. Any such changes in the duty judge assignments shall be done in writing, with copies to all judges, Court Administration, and the Clerk of Court.* At all times, the Administrative Judge of the county shall be kept advised, in writing, of all changes or modifications to the duty judge schedule so that a master list may be maintained showing which judge is responsible for coverage.
3. Nothing in this order shall preclude judges from accepting responsibility for another judge's duties by agreement, in writing, in the manner set forth above.

4. The assigned duty judge for Citrus County shall be on call 24 hours each day of the week from Monday at 8:00 a.m. until Friday at 5:00 p.m. Citrus County Court Administration and the administrative judicial assistant must be notified in writing of any schedule changes.

5. Pursuant to the provisions of Administrative Order A-96-44, and any supplementary administrative orders of the Chief Judge, the first appearance judge for the tri-county area shall also assume duty judge responsibilities for Citrus, Hernando and Sumter Counties on assigned first appearance weekends and holidays, and shall be available from 5:00 p.m. on the Friday or last official business day preceding the weekend or holiday until 8:00 a.m. on the Monday or first official business day following the weekend or holiday to respond to all duty judge calls for the entire tri-county area.

6. Any County Court judge who serves as the duty judge under this order is hereby assigned to act as a judge of the Circuit Court of the Fifth Judicial Circuit should an emergency requiring the actions of a circuit judge arise during their term as duty judge. This is not to be construed as a permanent assignment of the County Court judge to the Circuit Court bench and shall be effective only during the time that the County Court judge shall serve as the duty judge hereunder.

7. The Clerk of the Court of Citrus County has been provided with a signature stamp of each of the judges in Citrus County so that the Clerk may affix the stamped signature on orders and documents requiring the signature of the duty judge, after personally speaking to the judge, explaining the situation, reading the document over the telephone, and receiving verbal authorization from the judge to affix the signature stamp thereon. Such stamped signature shall have the same force and effect as a manual signature, and the Clerk of the Court shall be responsible for the safekeeping of said signature stamps, pursuant to the provisions of §116.34, Florida Statutes.

8. Unless an emergency occurs, there shall always be at least one judge available in Citrus County to handle the business of the county as it may arise during each duty month. Should a conflict arise, which would leave the county without judicial coverage during any particular week, or a portion thereof, it shall be the responsibility of the assigned duty judge for that month to coordinate with other judges to ensure coverage is maintained in the manner set forth in this order.

9. The judge assigned to handle the domestic relations cases shall be available in the courthouse during the times that the Child Support Enforcement Hearing Officer shall be holding

hearings for the purpose of dealing immediately with any contempt orders or other matters requiring judicial oversight or approval.

10. In order to maintain the jury trial schedules, the scheduling of trials and the scheduling of other administrative functions, it is necessary to maintain a master list of the dates when the judges will be unavailable. Therefore, as soon as practical, each judge shall advise the Administrative Judge of any planned vacations and other days off they wish to take for the coming calendar year, including but not limited to, judicial conferences, educational seminars, and continuing education meetings. When any such dates are changed, or added to, the Administrative Judge shall be notified in writing.

11. The duty judge for each month shall also be responsible for qualifying jurors during any jury trial session and impaneling any grand juries required.
